# General Information

**TIME**—Monday, September 16, 1946. Show will start at 9:30 a.m. Sale will commence at 1:00 p.m.

**LOCATION**—The show and sale will be held at the Red Oak Auction Company, Red Oak, Iowa through the courtesy of Mervin Ballard, manager.

The facilities of the Red Oak Auction Company are excellent. They have plenty of parking space for trucks and cars, nice, roomy stalls for cattle. The sale pavilion is well ventilated and lighted, most convenient for buyers and owners—everyone interested in better cattle.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to serve until sixteen months old or run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought, and if, after a test in the seller's herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at time of sale are guaranteed to be breeders. Animals returned to seller because they do not comply with the guarantee will be at the buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager nor the clerk of this sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES**—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each lot sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

**MAIL BIDS**—Those wishing to buy at this sale who cannot attend in person may send their bids to the Sale Manager or to Jack Halsey, the Auctioneer, Mervin Aegerter of the Shorthorn World, Clint Tomson, Secretary of the American Shorthorn Association, Clem Larson, Fieldman for the American Shorthorn Breeders' Association or Matt White, Field Representative of Wallaces' Farmer, all of these in care of the Sale Manager who will see that they are delivered to the parties whom are entrusted with your order. Any of these men are qualified to know good cattle. Your order sent to them will be carefully and honestly taken care of.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

BOB'S ARCHER 2316738 is the real example of modern type breed, character, quality and style. He has an attractive coat of red hair—and what a pedigree.

What he saves in the cost price usually is more than lost in the value of the bull calves.

BRAWITH'S DOUBLE 2300674 is a good, deep boned bull. His dam is one of our better cows.  
We own no more highly prized family than the Augusta.

The calf with what you would call a small bone generally makes the show winner. Its flesh gets thicker.

DOUGLAS SUPREME 2351240 is a short-legged, blocky dark red bull with an extra good pedigree. His dam is a granddaughter of Imp. Prince Lavender 100366 and is nearly 17 years old. I raised this calf without a nurse cow and he is in as good condition as any cow on the farm. Vaccinated for Blackleg and Bangs disease, also tested for Bangs and T. B.

Price and value are two great things.
